

## Businesses & Industries:

Black River Technical College/GCITC and the Northeast Arkansas Innovative Training Center are excited to host Kid's College 2010. We will have approximately 75 spaces available for children ages 5(preschool completed)-11 that attend programs each day from 7:30 to 12:30 in both locations. Duplications of students will only be made if openings are left.

Paragould will be the last part of June (M-R) @ BRTC Campus

Rector will be after the 4<sup>th</sup> of July (M-R) @ NEA Innovative Training Center.

Kid's College is a weeklong event that will allow the kids to attend presentations such as: Chemistry Magic, Nascar Simulation, Insect Informants, Elrod the Magician, Electrical Safety, Pet Safety, plus demonstrations from the emergency management teams in Greene County (Air Evac, National Guard, Fire Department, Ambulance Service, Police Department) and much more. The program will be held from 7:30am-12:30pm daily.

Kid's College has been made successful each year because of the volunteers and the generous donations from residents and business & industry in our region. We would like your help again in providing a week packed with fun, including a quick breakfast and snack for those in attendance. All those that help in any way will be included in our advertisements for Kid's College. In addition, cards of appreciation will be mailed and the media will be present to cover the event.

Thank you for your time and consideration of sponsoring this program. If you would like to make a donation this year, please contact Jacinda at 870 595.2300 or 870.239.1521 or you may email me at [Jacinda.welch@gmail.com](mailto:Jacinda.welch@gmail.com). You will also be able to complete the donation application online and donate through pay pal in the upcoming months at [www.neaitc.org](http://www.neaitc.org).

We will be in contact with specific times and dates in a few months and the student applications will be made available on the website by May as well as notification of such sent to each student via the school districts.

Thank you very much for your time,  
Jacinda Welch  
GCITC/BRTC /NEAITC Representative
